(b) System institutions may agree among themselves to share losses for the purpose of protecting against the impairment of capital stock or participation certificates, or for any other purpose. § 614.4350 Definitions.

For purposes of this subpart, the following definitions shall apply:

(a) *Borrower* means an individual, partnership, joint venture, trust, corporation, or other business entity to which an institution has made a loan or a commitment to make a loan either directly or indirectly. Excluded are a Farm Credit System association or other financing institution that comply with the criteria in section 1.7(b) of the Act and the regulations in subpart P of this part. For the purposes of this subpart, the term “borrower” includes any customer to whom an institution has made a lease or a commitment to make a lease.

(b) *Commitment* means a legally binding obligation to extend credit, enter into lease financing, purchase or participate in loans or leases, or pay the obligation of another, which becomes effective at the time such commitment is made.

(c) *Loan* means any extension of, or commitment to extend, credit authorized under the Act whether it results from direct negotiations between a lender and a borrower or is purchased from or discounted for another lender. This includes participation interests. The term “loan” includes loans and leases outstanding, obligated but undisbursed commitments to lend or lease, contracts of sale, notes receivable, other similar obligations, guarantees, and all types of leases. An institution “makes a loan or lease” when it enters into a commitment to lend or lease, advances new funds, substitutes a different borrower or lessee for a borrower or lessee who is released, or where any other person’s liability is added to the outstanding loan, lease or commitment.
